Username: [Your email]

Password: [Provided via email]

NOTE:
Order History shows all orders associated with your Facility ID.

After successfully logging in, you will be redirected to your home page, where you can see your most recent orders and place a new order.

Placing a New Order

From the your home page, click the blue **Place New Order** button to launch the product order form.

WE CARE HEALTH SYSTEM

Product Order Form

To place your pharmacy's fulfillment order for the items listed, fill in the requested box quantities, review the order and submit.

Safecor Health will communicate your pharmacy's fulfillment order to We Care Health System for appropriate allocation of product and repackaging costs.

Item No.	NDC	Form	QTY
Ibuprofen 100 mg/5mL - 5mL dose - Box of 40 605-001137897-040	00113789734	Oral Liquid	<input type="text"/>
Lactulose 10 g / 15 mL - 15mL dose - Box of 40 615-001210577-040	00121057732	Oral Liquid	<input type="text"/>

NOTE:
There may be a limit on the maximum allowed QTY per product that can be ordered. An alert message will be displayed if the maximum is exceeded.

Selecting Products

All items available for your facility to order are displayed by item description and number, NDC and form.

Simply enter a quantity next to each desired product. Selected items will be highlighted green.

When ready to proceed with your order, enter your email in the field below the form/bottom of screen and press **Review Order**.
